

Revolutionize Caregiving with The KY1 Electric Patient Lifter

Effortless Care at Your Fingertips: Introducing a Multi-functional Care Assistant Device for Seamless Reclining, Sitting, and Postural Transitions. Elevate Efficiency and Enjoy Bed Baths Without Hassle. The Future of Caregiving is Here.

Seamless Integration

Effortlessly shift between reclining, sitting, and various postures using accessories like slings or stretchers.

Precision Management

Integrate a precise 0.1KG weight system for accurate data in Healthcare Information Systems, aiding health monitoring and medical decisions.

Holistic Care Solution

Empower a single caregiver with comprehensive care, enabling joyful bed baths, maintaining personal hygiene, toileting, and providing rehabilitation support without movement.
